

flexible spaces all the right places...

...6611 West Snowville Rd.
Brecksville, Ohio

“Flexible Spaces in All the Right Places” is what Fogg had in mind when designing their large portfolio of office, industrial and office/warehouse (flex) properties. Strategically located near major freeways in northeast Ohio, Fogg’s properties offer flexible floor plans, truck access and lease terms, as well as expansion opportunities for their growing customers.

Conveniently located mid-way between downtown Cleveland and downtown Akron, our properties in the upscale community of Brecksville, Ohio are located along I-77, just off the Ohio Turnpike (I-80). This building provides excellent office and warehouse space designed to be modified to fit the needs of each tenant.

“The entire Fogg team provided tremendous cooperation during the leasing and construction of our new corporate headquarters and high bay distribution center. We are completely satisfied with the building and with the support that we’ve received from Fogg since we moved into our new facility” - **Guardian Technologies**
